Lynn, these are documents Branden referenced in our call and something to discuss further as it relates to the pending remedy decision. I've copied Tom as well, since the crux of their concern relates to the SSE and connects back to concerns raised by their expert, Thalhamer.

Tim:

As discussed, attached are the draft SSE Evaluation and comments generated. Brad may be able to fill you in further on the current status of the SSE Evaluation and EPA's studies.

Thanks,
Branden
